***2016 is going to be a great year. We are planning on racing in the XC2 class in GNCC as well as running the UTV Rally Raid 4 Hour Endurance Racing Series and King of the Shell UTV Series in Kentucky. If at all possible we would like to run a couple BITD Series races such as the Henderson 250 and the Vegas to Reno Race.***

***We can't do this alone. I feel with your help as a sponsor we can make this year successful and really get your brand out there. I feel your products and services are the best on the market and that's why "our team" makes a perfect match.***
